

Eggs-tra Special Easter

On April 13, bring your basket to Bond Park to enjoy fun, games and activities, ending the festivities with the Easter Bunny and an Egg Hunt!

Breakfast with the Bunny 9-10 a.m.

Herb Young Community Center
Join the Easter Bunny for a delicious breakfast followed by a private egg hunt. The Easter Bunny is available for pictures for ticket holders. Tickets go on sale March 11 at the Herb Young Community Center.

Easter Festival 9 a.m.-Noon

Bond Park Boathouse
At this year's Easter Festival, you can meet the Easter Bunny, bounce in the bounce houses and enjoy a free magic show, as well as other family-friendly activities and entertainment.

Magic Show 11 a.m.

Sertoma Amphitheatre
Join Scott Shelton for a wonderfully entertaining magic show loaded with laughs and audience participation!

Egg Hunt Noon

Bond Park Spillway
Collect as many toy-filled eggs as you can! The hunt area will be divided into age groups 5 and younger and 10 and younger.

Egg Hunt for Special Needs Noon

Bond Park Community Center
Join us for an Eggstravaganza, a very special egg hunt for children ages 12 and younger with special needs, intellectual and/or physical disabilities. Pre-registration is encouraged.

Our Water

Pressure Zone Shift

About 1,200 homes in the area of the Preston Village and Heritage Pines subdivisions will experience an increase in water pressure on April 9.

Those impacted received a letter in January. If you received a letter, please review it carefully. If you did not receive a

letter, your property is likely not included in the water pressure increase. To know if you are in this change, enter your property's address into our interactive map, which can be found online at www.townofcary.org/pressurezone.

Disinfection Switchover

Every year around March, we join neighboring municipalities and temporarily suspend the use of ammonia in our water treatment process. We do this to comply with the State's recommendation that all water systems that add ammonia temporarily switch to chlorine only. Making that temporary switch helps ensure that our drinking water remains safe, and it is an

important part of maintaining our utility system and our award-winning water.

If you use water for kidney dialysis, fish aquariums and other chlorine-sensitive uses, be aware that from March 1 to April 19, the water may contain chlorine, ammonia or a mixture of both.

Cary It Green

Buy a Bin or Barrel at Below Wholesale Cost

Help reduce waste and grow a greener garden with your own home compost bin and rain barrel. From April 9 to May 9, you can purchase these directly from the manufacturer for only \$45 a bin and \$55 a barrel via our online sales page. They will be shipped in mass to the Town and a staff person will coordinate your pick-up date and will include info

about how to get started.

Sertoma Amphitheatre

This kid-focused event features stage performances by area schools and cultural groups.

Smoke Alarms Save Lives

Smoke alarms that are properly installed and maintained play a vital role in reducing fire deaths and injuries. If there is a fire in your home, smoke spreads fast and you need smoke alarms to give you time to get out. Here's what you need to know:

1. A closed door may slow the spread of smoke, heat and fire.
2. Install smoke alarms in every sleeping room and outside each separate sleeping area.
3. Install alarms on every level of the home.

4. Smoke alarms should be interconnected. When one sounds, they all sound.

5. Large homes may need extra smoke alarms.

6. Test your smoke alarms at least once a month. Press the test button to be sure the alarm is working.

7. When a smoke alarm sounds, get outside and stay outside.

8. Replace all smoke alarms in your home every 10 years.

Provide Your Input

Citizens and businesses are encouraged to share their budget priorities with the Town at any point in the year, and we'll share what we hear with Town Council through quarterly reporting. The Town's budget runs from July 1 through June 30. Let us hear from you!
